SCHOOL STARTS ITS 141st SEASON SEPT. 18

Many Applicants on Waiting List
This Year

FEW CHANGES IN FACULTY

Phillips Academy began its 141st year this week. The usual enrollment was expected, since no additional dormitories have been added to the school equipment for several years. The pressure from new applicants has been greater than ever before, and while for several years increasing numbers of desirable candidates have been turned away for lack of accommodations, the number rejected this year has been far in excess of anything recorded in the past. Indeed, the number of boys enrolled when the school closed in June was larger than the number so listed when the school opened in the fall of 1918. Since early summer formal notices have been sent out in response to catalogue requests and definite applications for admission advising the applicants that no vacancies were then available and that only as unexpected vacancies occurred could these later applications be considered. The number of boys refused admission runs into the hundreds. More than the usual number of students from foreign countries have joined the school this year.

Several changes and readjustments on the faculty have taken place. Mr. Archibald Freeman, head of the History Department, has returned after a year of service with the Red Cross in the Balkans. Mr. B. M. Allen, for many years connected with the Latin Department, has accepted a position with the Roxbury Tutoring School at Cheshire, Conn. Mr. Stackpole, the school minister, who has served as chaplain of the 102nd Field Artillery in France, resumes his old position in the school. Mr. Carl F. Pfatteicher, who has so successfully handled the musical work, will pursue studies at Harvard University this year. Mr. Pfatteicher, however, will continue to reside in Andover and will take charge of the school organ as formerly.

Dr. Howard W. Church resumes his position as instructor in German after a year with the American Expeditionary Forces in France, where he served as an interpreter. Mr. Dumont Clarke, who had charge of the religious work of the school during Mr. Stackpole's absence in France, has returned to his former parish in Manchester, Vt. Mr. Arthur H. Washburn has registered at Columbia University for postgraduate work, and Messrs. Camp, Brown and Campbell, who have filled temporary positions in the school during the absence of other members of the faculty, have accepted positions elsewhere. The athletics will be in charge of Messrs. Daly and Quinby, both of whom returned last spring from service abroad. The only new men added to the force are Mr. Herbert F. Fraser and Mr. Thomas P. Pitre. The latter is a recent graduate of Amherst College, and will serve as assistant in the Chemistry department. Mr. Fraser was a member

FALL TRACK WORK WELL UNDERWAY

Autumn Programme Outlined by
Coach Shepard

INTER-CLUB MEETS TO BE HELD

At the track meeting last Tuesday evening Mr. Shepard outlined the track work for the fall and how it would bear on the work of the winter track squad. There are about 105 men out for track this fall and each club will have about twenty-five on its track team. A very elaborate schedule of meets has been worked out, so that each man out for track, whether varsity or club, will have a chance to win a medal. In the club meets, the winners of the events will get silver medals; second place, bronze; third place, ribbons. Fourth place counts in points but does not merit a prize. Competition for club track men will be held each week on Fridays.

The first meet will be on Wednesday, September 30. The events will be 40-yard dash, 45-yard high hurdles, 80-yard low hurdles, and 220-yard run for quarter-milers.

On October 8th, there will be a handicap meet comprising six events: 300-yard run, 600-yard run, 60-yard dash, high jump, pole vault, and broad jump. The next meet will be on October 15 and 16. The events will be: pole vault, shot-put, 80-yard dash, 100-yard low hurdles, 300-yard run, 660-yard run, and 1000-yard run for milers.

On October 22 and 29, there will be the final club meets. For each event two men will be picked from the varsity and two men from each club. On the standing of the men in these events will depend greatly who gets on the winter track squad. As stated before, the winner of each event will get a silver medal; second, bronze medal; and third, a ribbon. The final meet of all will be the Pantathelon Meet which will be composed of five events. In this meet the winners will get a gold medal, second place a silver one, third and fourth places will also get bronze medals. The winner will be the person who gets the greatest number of points in the meet. It will be held on two days. Three events will be run off on a Wednesday, and the remaining two on the following Saturday. The track season will close, the day before the Exeter football game.

All club track men are to report at 2.30 on the track, except on rainy days, when they are to report at the gym. The Romans are to report where the 100-yard dash starts, the Gauls where the 100-yard dash ends, the Saxons at the southeast corner of the track, and the Greeks at the northeast corner of the track. Cross country men report at 2.15.

Phillips Club

The Phillips Club had its annual meeting on the evening of Monday, September 22. Reports were read from the chairmen of various committees, and short talks were given by Professor Forbes, Mr. Moorehead, and Dr. Fuess. Mr. Horace M. Poynter was elected president of the Club for the coming year.

INQUIRY HOLDS ANNUAL RECEPTION IN GYM

Members of the Faculty and the
Student Body Speak

The annual reception, given by the Society of Inquiry for both the old and the new men, was held this year on Sunday evening, September twenty-first.

The purpose of these meetings is to give the new fellow an opportunity to meet the old men and to learn about the various activities at Andover.

With this view in mind, an attractive list of speakers was arranged by Dick Sears who had charge of the meeting. The list of speakers and their subjects follow: Capt. F. F. Adams—Football. L. S. Hammond—The Musical Clubs.

Capt. E. H. Hills—Track. Manager Farnsworth—Baseball.

Morris Tyler—The School Publications.

Mr. McCurdy—"The Society of Inquiry."

Dr. Stearns—"A Word of Welcome to the New Men."

Inquiry Speaker

The speaker at the Society of Inquiry on Sunday evening will be Mr. A. S. Jackson of the National Urban League, New York City. Mr. Jackson graduated from Andover in 1910, where he was on the track and football teams, and from Yale in 1914, where he also was on the same teams; later he went to Europe and entered the Olympic games.

Mr. Jackson will speak on "The Race Question" and it is hoped that there will be a large attendance to hear him.

Building and Endowment Fund Campaign

Andover is about to start a campaign for a Building and Endowment Fund of \$1,500,000. One-third of this will be used for the erection of a new Main Building, which will contain a large auditorium and several modern recitation rooms. This building will probably be erected near the old running track, in the rear of the Churchill House, which will be moved, in order to secure a wide entrance. One million dollars will be used as a fund, the income of which can be devoted to the increase of teachers' salaries. A dinner will be held in New York on Monday, September 29, of all the class agents, and from that time on the campaign will go rapidly forward, closing about November 22. It is hoped that any member of the school who has relatives who are likely to be interested in this plan of raising money, will do his utmost to spread the news abroad, and to arouse enthusiasm. This is an opportunity for Andover to establish itself, once for all, on a sound financial basis, and the movement therefore deserves the support of every Andover graduate. The Executive Secretary, to whom contributions and communications may be sent, is Claude M. Fuess, of the Academy teaching staff, who has headquarters at Andover.

75 MEN START FOOTBALL PRACTICE

Big Squad Being Trained by Coach
Daly

THREE "A" MEN BACK

The football season of 1919 opened on Wednesday, September 17, one day after the opening of the school year. About twenty-five candidates reported to the call of Captain Adams, and this number has been increased to about 75 men. Setting-up drills and the fundamentals of each position have been given the squad in preparation for the scrimmage work which is to start in the near future.

Only three men who played in the Exeter game last year are to be found among the present candidates and therefore a practically new eleven will take the field for the games which are to come. Because of the large number of candidates the ability of each individual will not be known until the season is well under way.

The following survived the last cut:—K. Smith, Reed, Anderson, Evans, Bovey, Van Wyck, Neidlinger, Daley, Hubbert, Farnsworth, Dupont, Etheridge, Wolfe, Pfaffmann, Bates, Koehler, Bush, Hock, Tweedy, I. E. Wight, Allen, Jopp, A. Kerley, Robinson, Blodgett, Stilwell, Wingate, MacNeil, Riley, Sexsmith, King, Sullivan, Scheide, Mayo, Scott, Neil, MacDonald, Adams, LaTulippe, and Batty.

WILSON ILL, ENDS TRIP SUDDENLY

Gompers Takes Stand in Strike
Investigation

ALL BRITISH RAILROADS AFFECTED BY WALKOUT

Ill from exertion on his long tour for the Peace Treaty, President Wilson yesterday canceled his remaining speaking dates and started back toward Washington.

According to his attending physician, Mr. Wilson was suffering from "nervous exhaustion", and would require a considerable period of rest.

The President had planned to go to New York late next week, to welcome King Albert of Belgium. This plan, however, has been virtually abandoned.

Since leaving the capital, September 3, he has delivered forty speeches on behalf of the treaty. His illness overtook him at Wichita, Kansas, after he had covered more than four-fifths of the distance on his original 10,000-mile schedule.

Mr. Wilson's special train left Wichita shortly before noon yesterday and, as it is to have a clear track all the way, is due to reach Washington early Sunday morning.

Gompers Says Men's Rights Denied

Samuel Gompers, president of the American Federation of Labor, yesterday spent four hours in the witness stand, before the Senate Committee, which is investigating the steel strike. He vigorously backed up the statements made Thursday by John Fitzpatrick, chairman of the national committee, in regard to the charges of brutality and unfairness now prevailing in the steel district.

Mr. Gompers also stated that the present state of affairs is due, largely at least, to the influx of immigrants from Europe. These foreigners, he said, were brought into the country by the corporations during the twenty-five years preceding the war.

Gompers made it plain that a similar strike may soon be called in the Bethlehem plant.

He further stated that the strike was caused by the refusal to grant the steel workers their just rights.

Strike Ties Up British Railroads

The nation-wide railroad strike in England was called for midnight yesterday. Every line in England will be affected by this action, and the government is preparing to replace the trainmen with troops. All types of motor transportation will be pressed into service to transport food.

Threatens to Blow Up Fiume

Dr. Grossich, president of the national committee of Fiume, has said that the people of Fiume intended to be united to Italy, and that if refused they were prepared to blow up the port and destroy their houses, so that whoever entered as a master would find only ruins.

THE ANDOVER PRESS

SATURDAY, SEPT. 27, 1919

Andover is once more underway. The routine of everyday school life is once again in full swing with no burden from abnormal conditions to hamper its progress in the coming school year.

This year should be a year after the old style. We have recovered from the trying tasks put upon us by the war; all that is past and a bright future is once more before us. The PHILLIPIAN takes this opportunity to welcome 1923 and the other new members of the student body. 1923 enters here with a great advantage over the prep classes of the past three years. A prep class can be either a hindrance or a help and it is '23's duty to get into things in such a way that they will prove themselves to be solely the latter.

There are several vacancies on the board this year, and it is earnestly hoped that both new and old men will try out for these positions. Having three stories accepted and published in successive issues makes one eligible for election to the Board. Contributions should be handed in at either Bartlett 10 or Churchill 6.

of the class of 1908 here, and later was graduated from the University of Aberdeen, Scotland. He is to teach Mathematics. The infirmity will be in charge of Miss Lucy B. Abbott, for several years district nurse in Andover, who has recently returned from France after a year of service with the Red Cross. Work on the enlargement and re-decoration of the academy chapel is well under way, and it is hoped that the renovated and enlarged building may be completely finished before the cold weather arrives. Chapel exercises and church services will be held in the old part of the building in the meantime. Plans for the campaign for the proposed memorial fund of \$1,500,000 are about completed, and the active work of securing funds will soon be undertaken. Small contributions have been coming in freely during the recent weeks and splendid momentum has been given to the campaign through the two most generous benefactions of fifty thousand dollars each recently made.

Exeter Notes

Exeter's sport captains for next season have all been chosen, and it is expected that the schedules in all branches will be strengthened, as games with college freshman teams will again be played. Luman, last year's captain, has been re-elected captain of varsity football. He comes from Hillmot. Wyo., and plays end on the eleven. Arthur J. Barry, of Peabody, baseball captain, is a two-letter man, starring on the gridiron and diamond. Bert B. Smith of New York, captain-elect of the crew, is also a two-letter man, having played center on the eleven last fall. The 1920 track captain is Fred W. Waterman, Jr., of Pittsburgh, who last year ran in the 100 and 200. William D. Cantillon of Minneapolis, Minn., will lead the Crimson hockey team this year. Luman, last year's captain and right end, Arthur J. Barry, another "E" man, and Bert B. Smith, last year's center, are back this year.

Blairstown Conference

During the week of June 21-28 the Annual Bible Study Conference was held at Blairstown. The purpose of the conference was to get fellows from different schools together and discuss the method of carrying on the religious work in the schools. The mornings were devoted entirely to the more serious work of the conference and the afternoons given up to athletics. In the evening a short meeting was held in the chapel. Among the prominent speakers were Dr. Speer, an old Andover man and well known in all the schools and colleges of the country; William and Francis Miller, Mr. Erving, Mr. Levett, and the African explorer, Dr. Kumms. The Andover delegation, under the supervision of Mr. Clarke, consisted of Philip E. Wilson, Richard H. Sears, Thomas P. Richardson, Joseph W. Lucas, Jr., Parker Dudley, Magnus Hansen, Edward G. Trasel, Jr., Calvin P. Bartlett, Edward M. Greene.
